In order to process your application as quickly as possible, it is necessary to read all of the following instructions and provide the information requested.

**\*\*If you do not reside in the state of Tennessee or do not legally reside in the United States, you are not eligible for this coverage. \*\***

*We will be unable to accept an application for coverage if the applicant or any dependent is pregnant.  
Future application can be made after pregnancy has ended.*

Section 1 Complete the information in this section regarding yourself, the benefits you are purchasing and method of payment desired. Please remember, do not put a PO Box for the Street Address; however a PO Box is acceptable for the Billing Address. Regarding payment information, if you do not want to pay your premiums by Automatic Bank Draft or Credit Card, do not mark any of those boxes.

**YOU WILL AUTOMATICALLY BE BILLED MONTHLY TO THE BILLING ADDRESS YOU LISTED.**

**Note: All dates must include the century (ex. 01012001).**

Section 2 Please complete the information in this section for each of your dependents, whether you are requesting coverage for them or not. For dependents other than spouse, tell us how you are related. If declining coverage for a specific dependent, please mark the "Declining Coverage" box and specify a reason for declining coverage. If you need to add more dependents than the form will allow, please attach a sheet of paper with the required dependent information.

**Please fully complete the Health Questionnaire. This applies to past and present BlueCross BlueShield of Tennessee subscribers. Ensure that every item is either marked "Yes" or "No" by carefully filling in the appropriate circles. Please sign and date this application. If this questionnaire is not filled out completely, we will be unable to continue the application process. Your spouse must also sign, if you are applying for dependent coverage.**

The agent information is to be filled out by your insurance agent or representative if you are utilizing an agent.

**HIPAA Rights**

If you or any member for whom you are applying has had at least 18 consecutive months of group, COBRA, federal government or church coverage AND it has been no more than 63 days since that coverage terminated, you may be eligible for waivers of our normal pre-existing condition waiting periods. These rights are made available to you under the federal Health Insurance Portability and Accountability Act (HIPAA) of 1996. If you would like to exercise your HIPAA rights, please call our Individual Sales Department since we will require a different application be completed.

**Prior Coverage Effective and Termination Dates**

This coverage has a 12-month pre-existing condition waiting period. This means that no benefits would be available for any condition that existed during the 12-month period prior to the date your coverage goes into effect until you have had the coverage for 12 months. If you are changing coverage from another BlueCross BlueShield of Tennessee individual product, you may be eligible to reduce your pre-existing waiting period. Information about this can be obtained through your BlueCross BlueShield of Tennessee sales personnel or your insurance agent or representative.

**Premium Payments**

If you selected **Automatic Monthly Bank Draft**, provide the bank routing number and the checking/savings account number. The routing number can be found at the bottom left side of your checks.

If you selected **Credit Card Payments**, provide the credit card account number and expiration date. Please notice that we can only accept certain major credit cards. Refer to your sales literature or authorized agent for more information.

Thank you for taking the time to fill out your application completely.

*Our goal is to have ID cards to members within 21 days of receipt of the application and any required medical information. Due to peak enrollment periods, some ID cards may take a few days longer.*
